

Creative Adventures

Summer Enrichment Programs for Children Ages 2 through 7

Give your children a break from the heat and boredom with our action-packed adventures.

Children will explore the arts and sciences in small group settings providing a variety of age-appropriate activities.

Program Offerings

Creative Adventures

Each age group has special weekly themes to ensure a unique curriculum. Sign up each week for a new adventure and learning experience designed specifically with your child's age in mind. A list of themes and supplies will be shared before camp begins, or you can request our themes and supply lists, which will be available after April 18. Curriculum includes (but is not limited to): music, movement, science and art.

Counselors-In-Training (CIT)

We have a few spots available for children ages 10-13 who want to help with camp while learning valuable leadership skills and gaining experience when s/he goes to find a "real" job. Children must attend an interview with our staff and spend a Saturday morning in a leadership training session. CIT hours are from 8:45 a.m. to 1:10 p.m. Holy Trinity Parishioner Pre-teens are given priority.

Have an older sibling?

We sponsor two camps at our school for older children. Big Thinkers science camp will be held the weeks of July 9, 16 and 23. Visit big-thinkers.com for more information. Drama Camp is scheduled for the week of July 9 for ages 4-8. Contact Jennifer Bates at jen.bates1@gmail.com to register.
